WATERLOO SCHOOLS PREPARES ALUMNI DIRECTORY

WATERLOO – The Waterloo Community School District is working with Harris Connect to produce an alumni directory scheduled for publication in March 2010. Over the next several months, you may receive postcards, emails or phone calls from Harris asking for updated contact information. We would appreciate your cooperation in updating your contact information. All updates are returned to the Waterloo Community School District so that our database remains current. Harris Connect is only collecting information for purposes of the directory.

Information will not be released to third parties. You decide whether or not your personal information is published in the directory--make your wishes clear to the representative with whom you speak. It is a great way to stay connected to the Waterloo Community Schools alumni community!

For more information, contact Michelle Temeyer, Director of Community Education at 319.433.1842 or temeyerm@waterloo.k12.ia.us.
