### Please put a check by any information that currently applies to your family.

- We live with **family** because we can't afford to live on our own
- We live with **friends** because we can't afford to live on our own
- We live in a **supervised shelter**
- We live in **transitional housing**
- We live in a **public or private place not ordinarily used as a regular sleeping place**
- We **don't have regular adequate night time shelter**
- We have **children living in runaway shelters or group homes**
- We have **received (or are in danger of receiving) an eviction notice**
- We have **received (or are in danger of receiving) a utility disconnect (gas, water)**
- We are **receiving (or have received) housing assistance and are paying more than 50% of our income for housing (rent, utilities, etc.)**

**None of this applies to me or my family**

- We are currently in this situation
- We were in this situation last school year

What barriers do you find that make receiving services from the schools, medical care, mental health care, etc. more difficult?
