

EMPLOYEE DRESS CODE

DRESS AND PERSONAL GROOMING

The Board of Education believes that no mode of attire will be considered proper for school wear that distracts from or disrupts classroom and school decorum. Employees shall dress as professionals on a daily basis, in businesslike attire in order to set a good example for students, co-employees, and the general public. Employee dress and grooming shall not detract from the learning/educational environment of students in their classes, school programs or other school-related activities. Visible tattoos shall not be obscene, vulgar, profane, representative of drug/alcohol use or gang affiliation, or distracting to the educational environment.

It is the responsibility of principals or supervisors to assure that all employees are properly dressed. Supervisors may make exceptions to the mode of dress in specific situations where deemed appropriate. Any concern of grooming or dress judged by the principal to be inappropriate shall not be allowed. Buildings can implement a more restrictive dress code.

UNIFORMS FOR CUSTODIAL & MAINTENANCE WORKERS

Waterloo Community School District Central Stores Department shall project an image that emphasizes the professional services provided to students, staff and the community. It is desirable that these employees be distinguishable from other individuals, authorized or unauthorized, who are located on school grounds, as a safety issue. As such, a uniform look is required and sets and supports a significant safety standard. Therefore, all employees in the Custodial & Maintenance Department shall be required to wear a uniform shirt with the Waterloo Community Schools logo that will be provided by the District. In addition, the employee must wear appropriate footwear. The maintenance and custodial staff may wear caps when appropriate.

UNIFORMS FOR FOOD SERVICE WORKERS

Waterloo Community School District Food Service employees shall project a professional image and comply with all Department of Health regulations. Food Service employees are required to follow the guidelines provided in the annual Food Service procedures booklet, including hair net, shoe, uniform, and apron specifications.
