2011-12 HOME SCHOOL APPLICATIONS AVAILABLE

WATERLOO – Waterloo parents/guardians who choose to home school their children with Competent Private Instruction (CPI) should contact the Waterloo School District to request the appropriate forms. Home school applications for the 2011-12 school-year are available for pick-up at the Education Service Center in Room 200. This paperwork must be completed and submitted each year the student is home schooled.

Parents can also opt to dual enroll their child, which allows children to participate in one or more courses and/or extracurricular activities offered by the District. Dual enrollment also allows children to take advantage of annual district assessments, such as the Iowa Tests of Basic Skills and the Iowa Tests of Educational Development at no cost to parents.

Applications are due in the testing office at the Education Service Center by August 26, 2011, or within 14 calendar days of moving into the district. If students are interested in taking some classes in their Waterloo school attendance center (dual enrollment), as well as being home schooled, forms should be turned in earlier than the due date in order to schedule classes before the school year begins on August 18.

For more information or to receive an application, please contact Jane Lindaman, Associate Superintendent for Educational Services, at (319) 433-1802.
